

WORLD CIVIL AVIATION REPORT

Vol. 3 — 75th Anniversary Edition

ICAO

Table of Contents

Foreword

8

In Focus

- 10 Promoting Global Peace and Prosperity
- 16 Gender Equality Linked to the Continued Expansion of Aviation

24

Innovation and Technology

- 26 The Future is Now
- 32 Remotely Piloted Aircraft System: ICAO Leads the Way Towards Integration
- 38 The Buzzing Skies: Very Low Altitude Operations

44

Economic Development

I. Industry Performance in Numbers

- 47 Revenue Passenger-Kilometres (RPK) and Freight Tonnes-Kilometres (FTK) Evolution since 1944
- 48 World Air Carrier Data
- 57 World Airport Data
- 68 Outlook to 2045

II. Regulatory and Industry Developments

- 74 Passenger Assistance Regulations Related to Travel Disruptions
- 82 Measuring the Benefits of Aviation: The New Aviation Satellite Account
- 86 Lies, Damned Lies, and Statistics
- 98 The Impact of Exchange Rates on International Airline Results
- 104 Airport Networks: A Survival Strategy for Economically Non-Viable Airports
- 110 New Governance for Defining Guidelines on Airport Slot Allocation at the Global Level

114

Aviation and the Environment

- 116 International Civil Aviation and Adaptation to Climate Change
- 120 The Latest Developments in CORSIA Implementation
- 128 Turning Policy into Action: Capacity-Building and Assistance to Advance Environmental Protection in Aviation

132

Air Navigation Capacity & Efficiency

- 134 The ICAO Aircraft Registry Network
- 140 Performance-based Navigation and Established on RNP AR Implementation
- 146 Performance-based Aerodrome Operating Minima
- 150 Changes to Annex 14 — *Aerodromes, Volume I — Aerodrome Design and Operations: Reduce Airport Costs and Increase Airline Opportunities*

156

Aviation Safety

- 158 Accident Statistics and Analysis — Scheduled Commercial Operations – 2018
- 164 Global Aeronautical Distress and Safety System (GADSS)
- 172 Fitness To Fly – A Medical Guide for Pilots
- 176 ICAO Integrated Safety Trend Analysis and Reporting System (iSTARS)

180

Security and Facilitation

- 182 Aviation Security Statistics – 2018
- 184 Fostering Aviation Security Innovation
- 188 An Overview of Border Control Management Principles
- 202 The ICAO Digital Travel Credentials (DTC) Concept

212

Training

- 213 The Origins of Aviation Training Intelligence

222

Amendments to the ICAO Annexes

Amendments to the ICAO PANS

232

Appendices

- 234 World Map of ICAO Regions and Member States
- 236 Regional Air Transport Traffic 2018
- 271 Acronyms
