

WORLD CIVIL AVIATION REPORT

Vol. 3 — 75th Anniversary Edition

ICAO

Table of Contents

Foreword

8

In Focus

- 10 Promoting Global Peace and Prosperity
The Past and Future of the Chicago Convention
- 16 Gender Equality Linked to the Continued Expansion of Aviation

24

Innovation and Technology

- 26 The Future is Now
- 34 Remotely Piloted Aircraft System:
ICAO Leads the Way Towards Integration
- 40 The Buzzing Skies:
Very Low Altitude Operations

46

Economic Development

I. Industry Performance in Numbers

- 49 Revenue Passenger-Kilometres (RPK) and Freight Tonnes-Kilometres (FTK) Evolution since 1944
- 50 World Air Carrier Data
- 59 World Airport Data
- 70 Outlook to 2045

II. Regulatory and Industry Developments

- 75 Passenger Assistance Regulations Related to Travel Disruptions
- 82 Measuring the Benefits of Aviation: The New Aviation Satellite Account
- 86 Lies, Damned Lies, and Statistics
- 98 The Impact of Exchange Rates on International Airline Results
- 104 Airport Networks: A Survival Strategy for Economically Non-Viable Airports
- 110 New Governance for Defining Guidelines on Airport Slot Allocation at the Global Level

114

Aviation and the Environment

- 116 International Civil Aviation and Adaptation to Climate Change
- 120 The Latest Developments in CORSIA Implementation
- 128 Turning Policy into Action: Capacity-Building and Assistance to Advance Environmental Protection in Aviation

132

**Air Navigation Capacity
& Efficiency**

- 134 The ICAO Aircraft Registry Network
- 140 Performance-based Navigation and Established on RNP AR Implementation
- 148 Performance-based Aerodrome Operating Minima
- 152 Changes to Annex 14 — *Aerodromes, Volume I — Aerodrome Design and Operations: Reduce Airport Costs and Increase Airline Opportunities*

160

Aviation Safety

- 162 Accident Statistics and Analysis - Scheduled Commercial Operations – 2018
- 168 Global Aeronautical Distress and Safety System
- 176 Fitness To Fly – A Medical Guide for Pilots
- 180 ICAO Integrated Safety Trend Analysis and Reporting System (iSTARS)

184

**Security and
Facilitation**

- 186 Aviation Security Statistics – 2018
- 188 Fostering Aviation Security Innovation
- 194 An Overview of Border Control Management Principles
- 208 The ICAO Digital Travel Credentials Concept

218

Training

- 219 Aviation Training Intelligence

228

**Amendments to the
ICAO Annexes**

234

**Amendments to the
ICAO PANS**

237

Appendices

- 238 World Map of ICAO Regions and Member States
- 240 Regional Air Transport Traffic 2018
- 275 Acronyms
